1. **Starting Time Is 7:00PM** If a team is not ready to play by 7:15, and there are some of the team players there, the match must start with those present. The missing player or players will be put into the rotation after the players present have played their first matches. If by this time the player is still not there it will be recorded as a forfeit for that round. If a player shows up after forfeiting their first round he/she is still permitted to shoot remaining rounds, If all players forfeit, that team will receive 16 losses and the opponents will score 16 wins. In the event of a snow emergency or weather related cancellation the team that cannot make it must contact the opposing team captain to reschedule and must be made up with-in 30 days of the original scheduled date
2. Teams will consist of 4 players. Each player shoots 4 games, scoring one point for each game won.
3. There is no limit to the number of substitutes a team may use, but **no new substitutes may be added after the 10<sup>th</sup> week of play. A sub can only play for one team thru out the season.** A sub may replace a player that is not able to finish a series, but not in the middle of a game. **THIS RULE IS ONLY FOR EMERGENCIES!!**
4. If a team is short a player it will forfeit all games that the player was scheduled to play. If a player is late and misses his or her scheduled game, that game is forfeited, but he or she may play the remaining games.
